PARK DIRECTIVE 1050

**HOURS OF OPERATION, OPENING AND CLOSING DATES, AND HOLIDAYS
IN STATE PARK FACILITIES FOR 2012**

This park directive establishes the hours of operation and the opening and closing dates for state park facilities. At no time will the opening hours or dates be less than specified. However, the decision to open earlier or close later may be made for an individual facility by the Park Superintendent should circumstances warrant such a decision.

If park superintendents wish to change operating dates or hours, the requested changes must be submitted to and approved by the Director of State Parks so that all users of this directive can be notified of the changes.

All facilities which serve as the primary point of contact for park visitors, such as visitor centers and entrance buildings, will be closed New Year's Day, Thanksgiving Day, and noon Christmas Eve through Christmas Day. These same facilities in day-use only parks, with the exception of Historic Washington and the Mammoth Spring Welcome Center will close all day Christmas Eve. In Class II and III parks, either a uniformed person or a person designated by the Superintendent will be on duty. One uniformed person will be on duty throughout these holidays in all Class IV and V parks. The person on duty will patrol or remain at the visitor contact point, preferably alternating between the two.

All ongoing revenue producing facilities, offices, and/or any other facilities that serve the public such as lodges, cabins, and restaurants, will remain open on all holidays. If these facilities are open on the days prior to and following holidays they cannot be closed on the holiday itself. Staffing of these facilities may be reduced to a lower than normal level provided park visitors' needs can be met. This should permit as many park personnel as possible to have time with their families on these special holidays. But someone must be available to watch over our facilities, serve our visitors, and to post information that will assist visitors in finding the visitor centers they need.

A sign listing the location and/or telephone number of uniformed park employees to contact in case of emergency will be posted ANY TIME visitor contact points are closed. This information will also be kept current on park bulletin boards.

For the safety of park visitors, all state park playgrounds, swimming beaches, and trails will close each day one hour after sunset and re-open at sunrise. Note that this excludes posted hours of operation, staff guided hikes, special events, and programs.

Cabin and lodge room fireplaces will be cleaned and closed on May 1 of each year and will re-open October 1 of each year unless unseasonably cool weather persists, in which case they may open a week early.

Park bathhouses not otherwise noted will be closed and winterized on December 1 of each year and will not be reopened until March of the following year, unless there is significant camper demand to dictate opening them. Winter campgrounds will remain open even though bathhouses are closed.
