Park Directive 3020

CLOSING HOURS

The closing hour of the state parks is 10:00 p.m. unless the park superintendent has given special permission for a special function or for setting earlier hours due to seasonal operations or construction.

Persons in overnight areas such as campgrounds, lodges, or cabin areas without a receipt or room key are considered day use persons and are violating the closing hour regulation and may be considered as trespassers.

APPROVED BY:

JACK E. MILLER, DIRECTOR
Arkansas State Parks

Effective until superseded
