Park Directive 3110

PICNICKING

Picnicking or eating in areas not specifically designated for this activity is prohibited, unless special permission is given by park superintendent.

Picnicking or eating in camping areas by persons other than registered campers and their guests is prohibited.

Person using picnic sites or picnic pavilions must keep the area free of trash and litter, and must deposit all litter in receptacles provided for same prior to leaving.

Fires are permitted in fireplaces or grills provided for this purpose only, and shall not be of such size as to unnecessarily damage the fireplaces or grills. Portable grills of safe design and condition may be used when located in areas which will not damage park facilities or natural resources.
